Subject: Dimock: ORC 2/2 status report

THIS MEMO MAY CONTAIN PRIVILEGED ATTORNEY-CLIENT COMMUNICATIONS

ORC's 2/2 update:

Cabot's counsel (Lowell Rothschild of Bracewell & Giuliani) emailed ORC (Humane Zia), stating that he hoped to send a draft agenda for the proposed February 22, 2012 meeting by today. He also indicated that Cabot's next submission, which they had planned to submit tomorrow (2/3) may slip until next Monday. ORC requested that that Cabot copy PADEP on future submissions to EPA, based on Scott Perry's expressed interest. ORC also reiterated that EPA requires Cabot's "Level 4" quality assurance information, for data validation purposes. Cabot's counsel had previously asked whether EPA needed this information, as it represents thousands of pages and could be costly for Cabot to get such information from the labs it has used. ORC communicated to counsel that we are confirming availability for the February 22 meeting.

[Note: ORC has confirmed that Shawn and others here appear to be available to meet with Cabot on the morning of February 22.]
